## A LOOK BACK OVER THE YEAR...

It's been another fun filled year at Foxes. We've made cheese and cucumber wraps, fruit smoothies and made rainbow pictures. We measured our hands, feet and how tall we were at the start of the year against how much we've grown at the end of it. Our fantastic constructors have made some truly outlandish builds. Christmas brought fun and games at our end of year party. We celebrated lots of festivals and celebrations from around the world, got busy with junk modelling and litter picked our way around the playground. We planted lots of seeds earlier this year and knitted for relaxation. In our role play activity we played doctors and nurses and demonstrated first aid skills on one another. We hope that everyone has enjoyed most if not all of our activities and plan to offer another fantastic array of activities and continued friendship building next term.

# GOODBYE AND GOOD LUCK TO ALL OUR YEAR 6

As you transition from Primary to Secondary School we hope you remember all the fun you had at Foxes. We will miss you.

BEGINS WITH A SINGLE STEP."

We want all our children to be safe, so may we remind parents/carers that they are responsible for their child until they are handed over to Foxes. Please do not leave your child before they have walked through our door.

Thank you for your continued cooperation
