

NEWSLETTER

Spring is definitely here, the blossom trees around school have started to bloom and the daffodils are enjoying the warm rays of sunshine. This is a time of year when the promise of longer days becomes a reality. Remember on Sunday at 01:00 the clocks go forward 1 hour for the start of British Summer Time.

Next week, we will be sharing the school's lockdown procedures with all of our children. Teachers will prepare them by talking about the type of situations that could warrant a 'lockdown' e.g. a stray dog in the playground or a plume of smoke from an industrial fire. Teachers will discuss the actions to be taken when the alarm sounds. During the planned practise, the alarm will sound and teachers will support the children to listen and follow instructions.

Pupil Voice

Chloe, RW - "I really loved seeing the animals. This was my favourite."

India, RP - "It feels so sticky (talking about the tree frogs)."

Elizabeth, 1M - "I like the song we sing in the Mother's Day service and going to church to celebrate."

Emily, 1B - "In Science we did an experiment to see which objects would float and which would sink. The marble sunk because it is made of glass and glass can be very heavy."

Gracie, 5T - "I enjoyed making our jellies with weird ingredients during STEM week. It was fun tasting them!"

Louis and Dominic, 5M – "We really enjoyed STEM week last week, erupting Mentos in coke in science and learning about fair tests. We even learnt about Heston Blumenthal's crazy recipes in whole class reading and had a go at making our own crazy jelly recipes (some of them were disgusting!)"

Baby news

We would like to announce that Mrs Maskell and Miss Furness are both expecting a baby in the Summer.

Nursery survey

We are currently reviewing our Little Hollies Nursery provision to see if it meets the needs of our community. We would encourage all families with children of the ages 4 and below to complete the questionnaire found at the link below and please also share with other families within the local community with children of this age.

At this stage, we are only collecting information to help us shape the future provision of our Little Hollies nursery. Please complete the survey by **Friday 25th March 2022**, thank you for your co-operation.

Heads-Up Day

As you are aware , we have revamped our behaviour approach over the last term and from January tokens have been awarded to children going above and beyond one of our school rules Ready, Respectful, Safe e.g. token given to the first child lined up (ready), token given to a child for holding a door open (respect).

The children have been invited to 'donate' their tokens to one of the three national charities chosen by our head boys, head girls and house captains.

The charities this term are –

Children in Need
The British Heart Foundation
RSPCA

We will be holding a fundraising day for these three charities on **Friday 1st April**. The theme will be 'Heads Up' and the children will be invited to wear a hat, a cool hairstyle or something different on their heads in exchange for a donation to the charities. The money raised will be split proportionately between the three charities meaning that all three charities benefit from our fundraising and super behaviour.

Congratulations to our new Junior PCSOs!

We had lots of super applications but these candidates excelled! We are really looking forward to working with PCSO Broll-Wills and PCSO Duckers @Sutton_WMP on this exciting project.

School Dinners

At Deanery, we offer our children a healthy cooked school dinner provided by our in house catering team. This consists of a healthy balanced meal, which meets the Governments school food standards and consists of -

- high-quality meat, poultry or oily fish
- fruit and vegetables
- bread, other cereals and potatoes

All KS1 children are entitled to a free school dinner and KS2 children are charged for their dinner. Due to rising costs, including food supplies, gas and electric costs and staffing costs our school dinner price will increase to £2.40 per day after Easter.

If you would like your child to take up the option of a school dinner, please contact the School Office. If you would like your child to swap to packed lunches please note that, we require a half term's notice in writing.
