

NEWSLETTER

We look forward to a packed week of activities in celebration of Queen Elizabeth's Platinum Jubilee starting on Monday. Children will be learning about the Queen's reign and the developments in technology and changes in society over the decades. We are also very fortunate to be able to welcome visitors and special guests to school to share in our celebrations. Thank you to all involved in making this week so memorable for our children.

Reminder that school closes for Whitsun on Thursday 26 May and pupils return on Monday 6th June.

Pupil Voice

Betty 1M: "I helped Mrs Truth plant different seeds and flowers in the outdoor area."

Ada 1B: "In English we had to write questions that we would like to ask an astronaut. I wrote 'Why did you want to be an astronaut?' We had to use words like what, when, who and why."

Jack 2HS: "In Science we used a filter to make dirty water clean but it wasn't quite clean enough to drink."

Abigail 2HS: "We made a poster telling people how to stay healthy in PSHE."

Xavier 3C: "We have been swimming and it is so fun!"

Hasina 5T: "We made glue with salt, water and flour in our science lesson this week. I didn't think the glue would work but it was really strong. I made a necklace that went around two people with my friend. It was still stuck together the next day!"

Tobias 6W: "We are learning the positions and game play in netball ready for our house competition on Friday."

Well done Year 2 and Year 6

We would like to say a big well done to all of our Year 2 and Year 6 children for working really hard during SAT's week and thank you to all of our parents for their valued support.

Sickness absence reminder

We would like to remind you that if your child has been absent from school due to sickness or diarrhoea you are required keep your child off school for 48 hours following the last episode of sickness. This is in line with Public Health guidance for schools in order to prevent the spread of infection.

Jubilee Celebrations 23-26 May

This year marks a very special anniversary, as Her Majesty The Queen becomes the first British Monarch in history to celebrate a Platinum Jubilee, after 70 years of service.

We are very excited to share that we are going to be having a special week of learning and activities celebrating the Queen's Platinum Jubilee. This will be hosted during the week of **23rd - 26th May** as we come together as a school. Activities involving Art, Music, History, Geography, Physical Activity and many more will excite and engage our children in learning about our longest reigning monarch, and how the world has changed throughout her time as Queen.

On **Wednesday 25th May**, we will be having a whole school picnic, hopefully on the field, whether dependent. Information has been sent regarding those children who usually have school dinners. Children who usually have packed lunches will bring theirs as normal as part of their picnic.

On **Thursday 26th May**, we are asking children come dressed in clothes related to their year group decade.

Nursery - present day

Reception and Year 1 - 2000s

Year 2 - 1950s

Year 3 - 1960s

Year 4 - 1970s

Year 5 - 1980s

Year 6 - 1990s

We hope your children will enjoy this unique week. Children's learning will be celebrated on their class blog at the end of the week.

Community Book Pledge

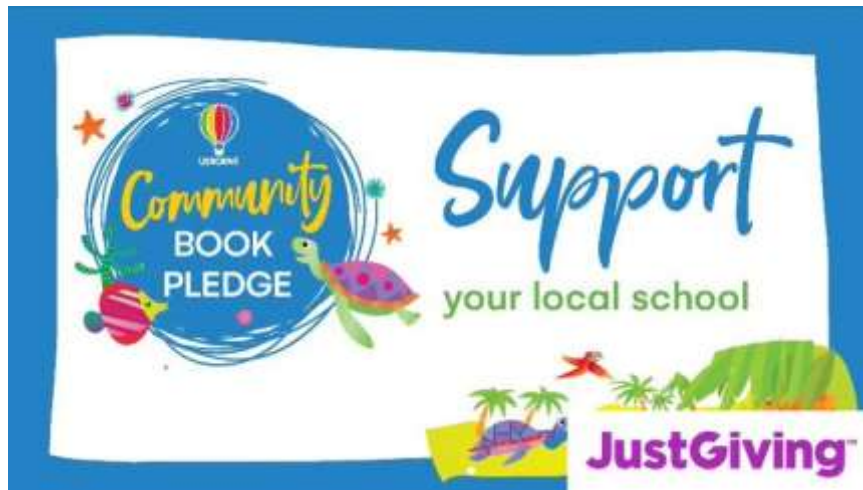

A huge thank you to those businesses that have donated to our Community Book Pledge so far. They will receive a thank you poster to display and will be named on bookplates inside the new books chosen by Deanery.

THANK YOU!

Birmingham Grammar Schools - Registration for entrance test

Registration for entrance test to The Grammar Schools in Birmingham is now open for parents of current Year 5 pupils who would like their child to sit the entrance test for The Grammar Schools in Birmingham, for entry to Year 7 in September 2023.

Registration can be made online by visiting the website below.

The closing date for registering is 4pm on 30th June 2022.

The test will take place on 17th September 2022.

<https://www.birminghamgrammarschools.org/apply-onlineapp.php>

Father's Day Competition

Father's day is fast approaching and we are calling all fathers to engage with us in a little competition.

Reading for Pleasure has been a big focus in school and the impact of the children seeing other adults as readers has been tremendous. Therefore, just as we did for Mother's Day, we are hosting a Father's Day competition to find the dad who can be spotted reading in the most bizarre place (this could be a Dad, Grandad, Uncle etc...).

Just get your child to take a photo of you or their nominated family member reading and send it in to us at our school email address: enquiry@deanery.bham.sch.uk with the subject heading 'Father's Day Reading' and on the email: put your child's name and class.

We will then judge whom we think has read in the most bizarre place and this father will win our prize!

We are sure this will be a fun activity to do with your child and it will also allow your child to see you as a reader. How can we expect children to do something that they do not see us doing?

Can we ask that all entries be emailed to school by Monday 13th June.

School Photographs

The photographers will be in on Tuesday 24th May to take the class photographs. Please can you make sure children are wearing full school uniform.

PCSO'S News

Our Junior PCSOs found out about this website and wanted to share it with you. FixMyStreet is an easy way to report any local problems.

Fundraising Thank You

We have received these thank you letters from the RSPCA and British Heart Foundation for our Heads Up charity fundraising day.

Royal Society for the Prevention of Cruelty to Animals

Deanery C.E. Primary School

6th May 2022

Dear Deanery C.E. Primary School,

Thank you for being Animal Heroes!

We are writing to say a huge thank you for raising £327.71 from your charity fundraising day. The money you raised will allow us to keep helping the animals that need us most, and keep their tails wagging!

Your fundraising efforts mean so much to us – every penny helps to keep our inspectors and animal welfare officers out there, helping animals 7 days a week, 365 days a year.

There are lots of other ways you can get involved and support the RSPCA. If you'd like to help your school be more animal friendly - please tell your teachers about **Compassionate Class**. Our fantastic programme includes quizzes and games which will help you and your friends understand how to care for animals. Visit www.rspca.org.uk/education to find out all about it!

From all the humans and animals at the RSPCA, 'thank you'!

Best wishes,
Sarah, Abigail & Kate

Dear Supporter

I'm writing to say thank you so much for the recent gift of £118.19 raised at your charity fundraising day to the British Heart Foundation.

With people like you at our side, we are taking huge steps towards healthier hearts, and keeping people with their loved ones for longer. Put simply, without your generosity we just could not sustain our life-saving work.

I'm proud to say that the money you give helps us to support pioneering research and deliver life-saving care to the people who need it most. Your kindness gives us hope for a future without heart disease – and the confidence that we can be there for those whose lives are affected by it now.

If you'd ever like to change the way we contact you, please call our Customer Care team on 0300 330 3322 or email us at heretohelp@bhf.org.uk. And remember, we're here for you too. So if you have any questions about heart health, or if you need support and advice, just call our Heart Helpline on 0300 330 3311. Both lines are open from 9am to 5pm, Monday to Friday.

Thank you once again for supporting us in the fight for every heartbeat.

Yours sincerely,

Amanda Pullen
Head of Customer Service
