21<sup>st</sup> June 2024

What an amazing week we have had with so many exciting and interesting visitors and activities to learn about and explore 'creative arts'.

Children have enjoyed photography, dancing, music workshops and opportunities to become thespians and develop their drama and oracy skills. In addition, children have participated in the Area Athletics competition and at the English Schools Novice Gymnastics Competition in Stoke.

Take a look at the blog to see what children have been up to and do come to the year group assemblies next week.

I want to thank our amazing, passionate and committed staff for ensuring that our children are able to experience these many opportunities across the wider curriculum and for giving up their time, after school.

Children delight in trying out new skills and should you wish to continue their interests, please visit the Arts Trail, at various locations around Sutton Coldfield, to speak with real artists and to see their work.

### **Phase News**

Nursery, Reception and Year 1 have thoroughly enjoyed exploring their creative side by discovering 'connections'. Children have had a different daily creative focus. Reception have been very musical by creating a soundscape to tell the story of 'Goldilocks and the three bears'. Year 1 have create an underwater dance, moving and representing different sea creatures. Nursery have been using the iPads to take photos of their friends, displaying different emotions. We are excited to showcase all our learning in our assemblies next week.

Y2/3 Phase:

There's been such a lovely buzz around Phase this week with Creative Arts week. Year 2 have been exploring false perspective and creating images of themselves telling a story.

Year 3 have explored connections through dance and created their own choreography to the Edward Scissorhands production.

Years 4, 5 & 6:

It has been a fantastic creative arts week and the children across the phase have thoroughly enjoyed exploring film, storytelling, singing and dancing!

## Pupil Voice

Naraya (RHM) - "We have been creative this week by taking pictures of cuddly bears, making shakers for musical instruments and drawing different characters. I have had lots of fun!"

Frankie (2MS) - "I have loved Arts week and liked making up my own dance craze."

Joshua B (3T) - "Swimming - I enjoyed going into the deep end of the pool and doing my 25 metres front crawl."

Hans (4P) - "My favourite thing about creative arts week so far has been looking at movement in Drama. We had to act out different scenarios showing connection between the characters."

Orla (4P) - "We got to create a freeze frame of a family for other people to guess what sort of character we were."

Blacke (4P) - "We made rhythms and beats with different instruments and our bodies to go over a jazz song. The beats had to have syncopated rhythms."

Clara (5H) - "I have loved the creative arts week, specifically making my own song in the singing session."

Austin (5H) - "I found it really fun making movies this week for creative arts and getting to use different camera angles."

Harvey (5MC) - "On Monday we recorded our own iMovie films that were based on *The Secret Garden*. We learnt how to use body language, facial expressions and camera techniques to create our movies. We also used skills like determination and discipline to create successful movies for others to enjoy."

Emily (5MC) - "Last week we went on a trip with our whole year group to Thinktank in Birmingham. We explored how the heart works and the digestive, which I thought was interesting. We saw robots and we went into the Planetarium which was probably the best bit because we got to learn about the solar system and relax in the comfy chairs! I would definitely recommend it."

Scarlett (6A) - "I loved the Rock, Paper, Scissors story in writing because of the plot and I felt I could really dive in to their world. I have also really enjoyed our Bakery project in maths, designing our own cupcakes and creating their packaging."

Matt B (6W) - "I loved making movies. It was cool to use different angles and skills like panning plus special effects."

On Thursday 18<sup>th</sup> July we are inviting children to dress up in the colours of their year groups country in return for a donation to our chosen International charities - MND, MS Society, RAFA.

(Please note, we are just dressing up in the colours from each country's flag - there is no requirement to buy anything!)

- Nursery - Italy
- Reception - China
- Y1 - Greece
- Y2 - Jamaica
- Y3 - Egypt
- Y4 - Australia
- Y5 - Japan
- Y6 - Mexico

We look forward to brightening up the school and raising some funds for well deserving charities.

## New Library

# Library Fundraising

Dear Parents/Carers,

Thank you for bearing with us after our library was sadly flood damaged. We are now in the exciting position of being able to re-design and re-stock our brand new library and look forward to being able to welcome children back in from September.

At Deanery, we are passionate about ensuring our children gain the best possible education. We are also committed to every child feeling represented and reflected in the curriculum we teach and importantly the books we share. We are regularly asked by parents, carers, grandparents and friends of the school as to how they can support the school. We have therefore set up a library wish list of books for you to buy, with a local independent book company. We have chosen the most amazing books for our new library which reflect new and current titles and and showcase the incredible and diverse school that we are. Alternatively, you may wish to make a donation towards the cost of buying a book.

If you would like, and are able, to support the school and our children, please visit <https://www.chestnutbooks.co.uk/fundraising>

All books will be labelled 'Donated by friends and family of Deanery'.

We thank you in advance of any support that you may be able to offer.

## PTFA - Uniform Donations

The PTFA are asking for donations of any spare/old uniform, specifically, grey trousers, dresses, skirts or shorts, and any logo jumpers. They are also short of bigger sized uniforms too!

Please leave any donations at the school office, who will pass items to the PTFA.

Many thanks in advance.

## Gymnastics

This week some of our superstar gymnasts went off to Stoke to compete at the English Schools Gymnastics Competition. After months of preparation and hard work, the girls took turns to compete on floor, vault and paired acro routines. They all remembered to point their toes, finish off every move neatly and smiled throughout - in fact, one of the judges said to the girls, "I enjoyed your routines because I could tell **you** were enjoying it!" The girls all cheered each other on and demonstrated amazing teamwork and resilience. The Under 9s team even managed to secure team Bronze medal, which for a National Level Competition, is a fantastic achievement! Well done to you all.

## Attendance at Deanery

Good attendance means being in school at least 95% of the time

ATTENDANCE	DAYS ABSENT	WEEKS ABSENT	KS1 LESSONS MISSED	KS2 LESSONS MISSED
95%	9	2	40 lessons	45 lessons
90%	19	4	76 lessons	95 lessons

## Athletics Competition

A huge well done to our KS2 Deanery Team at the athletics competition on Wednesday, taking part in a variety of track and field events. They were amazing and showed such good sportsmanship and team work. Well done!

## RNIB Stamps Appeal

As a school, we would like to support RNIB this festive season and collect stamps to make a difference to blind and partially sighted people.

If you receive cards and letters through the post, could you save the stamps and send them in to us? We will recycle them and send them on to the RNIB who will recycle them into much-needed funds for their services.

We will have a collection box in the main school entrance or just send your stamps in to us in a bag or envelope and we will pop them in the collection box for you.

Early Help is a network of local organisations, here to ensure services are accessible for families who need support.

# Welcome to the Sutton Coldfield Art Trail 2024

This is the ninth annual Art Trail. Eleven centres around the town are hosting practising artists from this area. Centres include private studios, public areas and gardens. Many different types of art will be on show, including painting, ceramics, textile work, jewellery and collage – much of it for sale. You will be able to see displays of art, artists at work and talk to them about their work, materials and working methods. We aim to have something for everyone, including children's activities at some of the venues, and to show the best of art in this area.

Venues, artist details and a map are inside this leaflet. If you sign in and receive a stamp on the leaflet at all the venues, you will be entered for a prize draw.

However you travel – by public transport, car, on foot or bicycle - we are looking forward to meeting you and hope you will make new discoveries and enjoy the weekend.
